Thank you for joining us tonight for our 10th annual Fall Fest. This year's event was made possible because of the amazing volunteers, led by OUR heroes, Melissa Acton and MJ Chiles. We are grateful to all our sponsors, in-kind supporters, and to those individuals and businesses who made donations for our raffle and silent auction. We are especially thankful that you are with us tonight as we recognize everyday heroes. It is through your support that we can do what we do, and know that you are ALL included on our hero list! The definition of HERO is "a person who is admired for courage, outstanding achievements, or noble qualities". Your generosity confirms to the struggling individuals and families in Tredyffrin & Easttown that they live in a community where people truly care.

Thank you for being part of the community dedicated to the mission of families helping families. T&E Care is proud to represent you in this endeavor.

Jump Dautrich  
Chairman, Board of Directors

Sandi Gorman  
President, T&E Care
