Hi Neighbor!

Our family loves to go to museums. We love exploring different heritages, different artistic media, different - well, you name it. With a family of five, it can get costly with admission, parking and snacks. By the time summer ends, we have easily spent what would amount to a week in a pocono rental. Ugh!

Just the other day, I happened upon the **Brandywine Treasures Passport**. For \$75, a family of two adults and up to three children can visit 10 Delaware and nearby Pennsylvania attractions this summer. Passes for individuals are also available for \$35. The passports are good for one admission to each participating attraction and may be purchased at any of the venues. The attractions include:

- ~ Brandywine River Museum
- ~ Delaware Art Museum
- ~ Delaware Center for Contemporary Arts
- ~ Delaware Museum of Natural History
- ~ Hagley Museum & Library
- ~ Delaware Historical Society & Read House
- ~ Longwood Gardens
- ~ Mt. Cuba Center
- ~ Rockwood Museum
- ~ Winterthur Museum & Country Estate

Alright everyone, get dressed and get in the car!

Enjoy!
Emily

T&E Care School Supply Drive **July 12th through August 1st**

T&E Care, a local non-profit group, founded in 2005, is running its 5th annual School Supply Drive collecting school supplies and backpacks for our local students in need. The number of students who benefit from this drive has more than tripled in the past three years as the economic crisis continues to impact our neighbors. Last year through community donations, T&E Care was able to provide school supplies to more than 130 children in our area, including everything from pencils to backpacks.

By contributing to T&E Care's school supply drive, you provide our student's with much more than school supplies. You give peace of mind to the families and boost the confidence of these children as they set out on their first day of the new school year. We'll accept assistance of any type - from a package of pencils to a book bag loaded with the all the supplies for one student. Gift cards for supplies, first day clothes or shoes, or food for healthy breakfasts are also appreciated. Please check out the website <http://www.tecare.org> and see how you can help support this important project so ALL local kids can start the year off right! You can also contact co-chairs Julia Fisher, Eileen Ryle or Amy Ard at schoolsupply@tecare.org with questions or offers to help.
