## Hi Neighbor!

Caring about one another is vital to a happy and healthy community. Whether it be looking out for each others' children, holding a door open for someone, smiling and saying "hello" to a stranger, cooking a meal for someone in need, building a home for [Habitat for Humanity](#)... whatever it is, we all need to remind ourselves to stop our busy days and lend a hand. If you don't have a whole day to give...give a minute. Extend a helping hand. Smile. Take turns. Share. Care!

If you are looking for a way to make a difference in the world, you need not look further than your own backyard. Approximately 150 students living in Tredyffrin and Easttown Townships need your help so that they can return to school in September with the school supplies required by the school district.

T&E Care, a local non-profit group, founded in 2005, is running its annual [School Supply Drive](#) from July 11th through July 31st to collect school supplies and backpacks for local students in need. By contributing to T&E Care's school supply drive, you can provide the students with much more than school supplies. You give peace of mind to the families and boost the confidence of these children as they set out on their first day of the new school year. Assistance of any type is welcomed- from a package of pencils to the full list of required supplies for one student. Gift cards for supplies, first day clothes or shoes, or food for healthy breakfasts are also appreciated. You can contact co-chairs [Julia Fisher](#), [Eileen Ryle](#) or [Amy Ard](#). The caring at T&E Care doesn't stop there!! In addition to running the school supply drive, T&E Care assists many local families with financial assistance for living expenses including rent, utilities, medicine, education and car repairs. This grassroots organization also assists the community by providing food, furniture, computers, clothes and even cars to struggling families. Please check out the [T&E Care Website](#) and see how you can help support this important organization so ALL local kids can start the year off right!

**Spread the luv and show you care!!**
