T&E Care Annual Holiday Drive

Once again the holidays are about to happen and many people right in our communities struggle to afford any gifts or a special meal for their families. Tredyffrin & Easttown Care is a non-profit that helps local families throughout the year with emergency situations, as well as at the holidays. The T&E Care annual holiday drive has started and runs until Dec. 6. Donations of gifts, food baskets, cleaning supplies, gift cards, and other items are needed for over 80 local families. If you would be willing to help out by sponsoring a family, or providing certain requested items, please check out the T&E Care website - www.tecare.org. This is truly a neighbor helping neighbor event!
