

TE TREK A SUCCESS

About a hundred Tredyffrin/Easttown teachers, community members, their families and pets gathered at Wilson Farm Park on Thursday, May 20, for the second annual TE Trek, a picnic and walk to benefit local charities. Sponsored by the Tredyffrin/Easttown Education Association, the Trek raised over \$1,500 for FLITE and T & E Cares, two charities that provide funding and services for local families in need. The Teachers' Association will match the funds gathered for a total contribution of over \$3,000.
