T&E Care and Whole Foods Market Devon partner to help local families

Did you know that Whole Foods Market gives customers a 5-cent refund for bringing their own shopping bags? Did you also know that it has a program where customers can donate that refund to local nonprofit organizations instead of receiving it themselves? From Oct. 1, 2014 through Jan. 18, 2015, Tredyffrin & Easttown Care

will be one of the non-profits recognized by the Whole Foods Market Devon for their Nickels for Nonprofits Program. T&E Care's mission is to help local families who are struggling with emergency or difficult situations by paying a rent bill, covering a utility payment, making a car repair, etc. For more information go to www.tecare.org.

If you are a Whole Foods customer who reuses bags to help the recycling effort, consider donating your refund to T&E Care whenever you shop at the Devon store between now and Jan. 18. For T&E Care to receive the refund - each shopper **MUST** tell the check-out clerk to refund T&E Care.
