[7-day forecast](#)

If you are looking for a way to make a difference in the world, you need not look further than your own back yard. More than 165 students living in Tredyffrin and Easttown townships need your help so that they can return to school in September with the school supplies required by the school district.

Tredyffrin & Easttown Care, a local nonprofit group founded in 2005, is running its fifth annual school-supply drive from July 12 through Aug. 1 to collect school supplies and backpacks for our local students in need. The number of students who benefit from this drive has more than tripled in the past three years as the economic crisis continues to impact our neighbors.

In addition to running the school-supply drive, T&E Care helps many local families with money for things such as rent, utilities, medicine, education and car repairs.

By contributing to T&E Care's school-supply drive, you provide students with much more than school supplies. Please check out T&E Care's Web site, [www.tecare.org](http://www.tecare.org), and see how you can help support this important project so all local kids can start the year off right! You can also contact co-chairs Julia Fisher, Eileen Ryle or Amy Ard at [schoolsupply@tecare.org](mailto:schoolsupply@tecare.org) with questions or offers to help.

## Comments

got a  
really  
impressive  
resume?

[we'd love to see it.]

Every day thousands of employers and recruiters search resumes on Yahoo! HotJobs for the right one
