*With a Little Help From My Friends*

**FRIDAY, SEPTEMBER 10 (17), 2021, 6PM  
T&E CARE THANK YOU CONCERT**

We are excited to share that the 14<sup>th</sup> annual Fall Fest will be held on **Friday, September 10, 2021 (rain date September 17)** and will be known as ***Come Together for T&E Care***. We are totally changing the format for this year – it will be a free concert at Wilson Farm Park in Chesterbrook, to thank community members, organizations, and businesses for all the support they have offered over the years. The *Magical Mystery Doors* will be playing songs from the Beatles, Led Zeppelin, and the Doors. Thanks to The Good Sports of Wayne, Inc. for sponsoring the band for this event! There will also be food trucks, t-shirts, and a 50/50.

If you would like to make a donation to T&E Care with a specific purpose in mind – you can either complete this form or make an online donation from our website - <https://www.tecare.org/events/fall-fest/>.

**1 – GIVE A MONTH OF BREAKFASTS – A donation of \$25 will buy breakfast foods for a family.** We all know how important breakfast is to start the day right. We want to be sure all kids can start the day out right by having a full stomach!

**2 - EDUCATION IS THE KEY – A donation of \$50 will buy a book for a college student.** It is often education that breaks the cycle of poverty. With tuition rising quickly, attaining a college degree can be more challenging for some. The College Assistance Program provides aid to offset tuition costs, purchase textbooks and computers, and help with other college-related fees and costs.

**3 – SEND A KID TO CAMP – A donation of \$75 will pay for a week of summer township camp.**

In our area, most kids have a summer of fun attending enriching camps and going on a family vacation. The kids that T&E Care supports often don't have these opportunities—their summers typically entail sitting at home, day after day, for almost three months. Summer camp provides important unstructured outdoor play, enables engagement with other kids, teaches new skills, and allows kids to relax in a safe setting.

**4 – KEEP A CHILD WARM IN WINTER – A donation of \$100 will buy oil for a family.**

The Home & Hearth Program helps local families—people right in our community—who are temporarily struggling to make a housing or utility payment. Our goal is to prevent families from entering a downward economic spiral from which recovery can be very difficult, if not impossible. Keeping a family in a house with the heat turned on is a very important part of our mission.
