

## **Cleaning Bags for the T&E Care Holiday Drive**

If you are donating a Cleaning Bag for the T&E Care Holiday Drive, please put the following items in the bag. If you can use a reusable bag (such as the type from Wegmans, Trader Joes, etc.) then it will look more like a “gift” than just a shopping trip.

- a spray bottle of Windex (or similar)
- a container of toilet cleaner and a cleaning brush
- a bottle of liquid Lysol (or similar brand)
- a package of 2-3 new sponges
- a container of comet OR a box of SOS pads
- a spray bottle of all-purpose kitchen or bath cleaner
- a container of wipes
- a bottle of hand sanitizer
- a bottle of kitchen dish soap
- a small bottle of hand soap (like for a bathroom)

If you have additional room in your bag you can add a few more items, but they are not necessary. Thanks again for helping out.
