College Food Bags for the T&E Care Holiday Drive

If you are donating a College Bag for the T&E Care Holiday Drive, below are general guidelines for the bag. Please select regular sized items; family or super-sized items will cause your bag to overflow, please fit all items in one bag, and feel free to select any brand you like.

If you can, please use a reusable bag (such as the type from Trader Joe's, Acme, or Wegman's, etc). to accommodate the weight and help this look more like a "gift".

* Please check expiration dates. Thank you!
